*Re: Your Services*

Dear Dawn:

Just wanted to send you this note of appreciation for the fine job your reporters did on the Joseph Connors v. Boeing case. The difficult circumstances and timing of the matter really put pressure on your people. However, you came through for us as usual.

It is always reassuring to have Ace on the job and we look forward to working to a long and productive relationship between our firms.

Very truly yours,  
SCHMIDT, KIRIFIDES, PEARSON & KOUTCHER, P.C.
