Dear Dawn:

I am just writing to thank you guys for all the great work over the past couple of years. I just recently submitted a transcript in a worker's compensation case where the deposition was held the day before. Although the timing was difficult, I knew I didn't have to worry with you guys handling the work.

As you know, Cleary & Josem recently merged with Schwarz & Schwarz to become Schwarz, Cleary, Josem & Schwarz. When we arrived the firm we merged with was using a different court reporting company. We insisted that they use Ace and they have been thanking us for it ever since.

Send my best wishes to Jen and Claudia and thank them for all their hard work. They are always punctual, professional and determined to get the transcript delivered error free.

I wish you guys the best of luck in the New Year and I look forward to working with you for years to come.

Sincerely,

DANIEL F. ASHTON
