Dear Ms. Kelly:

I can count on one hand the number of times over the course of twenty (20) ^{years} ~~days~~ that I have written a letter such as this. I was extremely impressed with the professionalism and skill provided to me last week during a de bene esse expert deposition taken in one of my medical malpractice cases. As I am sure you are aware, the deposition occurred during the evening and ran well into the night. Your reporter e-mailed the trial transcript to my office by 7:30 the next morning. The expert's testimony concentrated on complex structures in the brain and I was pleased, upon reading the e-mailed transcript, as to how accurate it was given the length of the testimony and the terms involved. I must also say that your facilities were wonderful, especially the snacks! I would appreciate it if you would provide me with some of your promotional materials so that I may forward them my insurance carriers who are not yet using you.

Again, thank you and your reporter for a wonderful job.

Very truly yours,

DOMINIC A. DeLAURENTIS, JR.
